VASTU-PERFECT HOMES FOR POSITIVE LIVING

"Every corner designed in harmony with nature's elements."

- Main Entrance: North-East facing for prosperity and positive energy
- Kitchen: Located in the South-East (Agni corner – ideal for kitchen placement)
- Master Bedroom: Situated in the North-East, ensuring stability and peace
- Bathrooms & Toilets: Designed as per Vastu, avoiding energy imbalance
- Balconies: Open towards 3 sides for fresh air and natural light

SPECIFICATIONS

Structure

RCC framed structure with high-quality cement and steel ensuring long-lasting strength and durability.

Flooring

Vitrified tile flooring in all rooms for a clean, elegant look and easy maintenance.

Kitchen

Granite countertop with stainless steel sink, durable wall tiles above the counter, and provision for modular fittings for a neat and functional workspace.

Bathrooms

Modern bathrooms fitted with reliable CP fittings, branded sanitaryware, and designer wall tiles up to door height for a fresh, aesthetic finish.

Doors & Windows

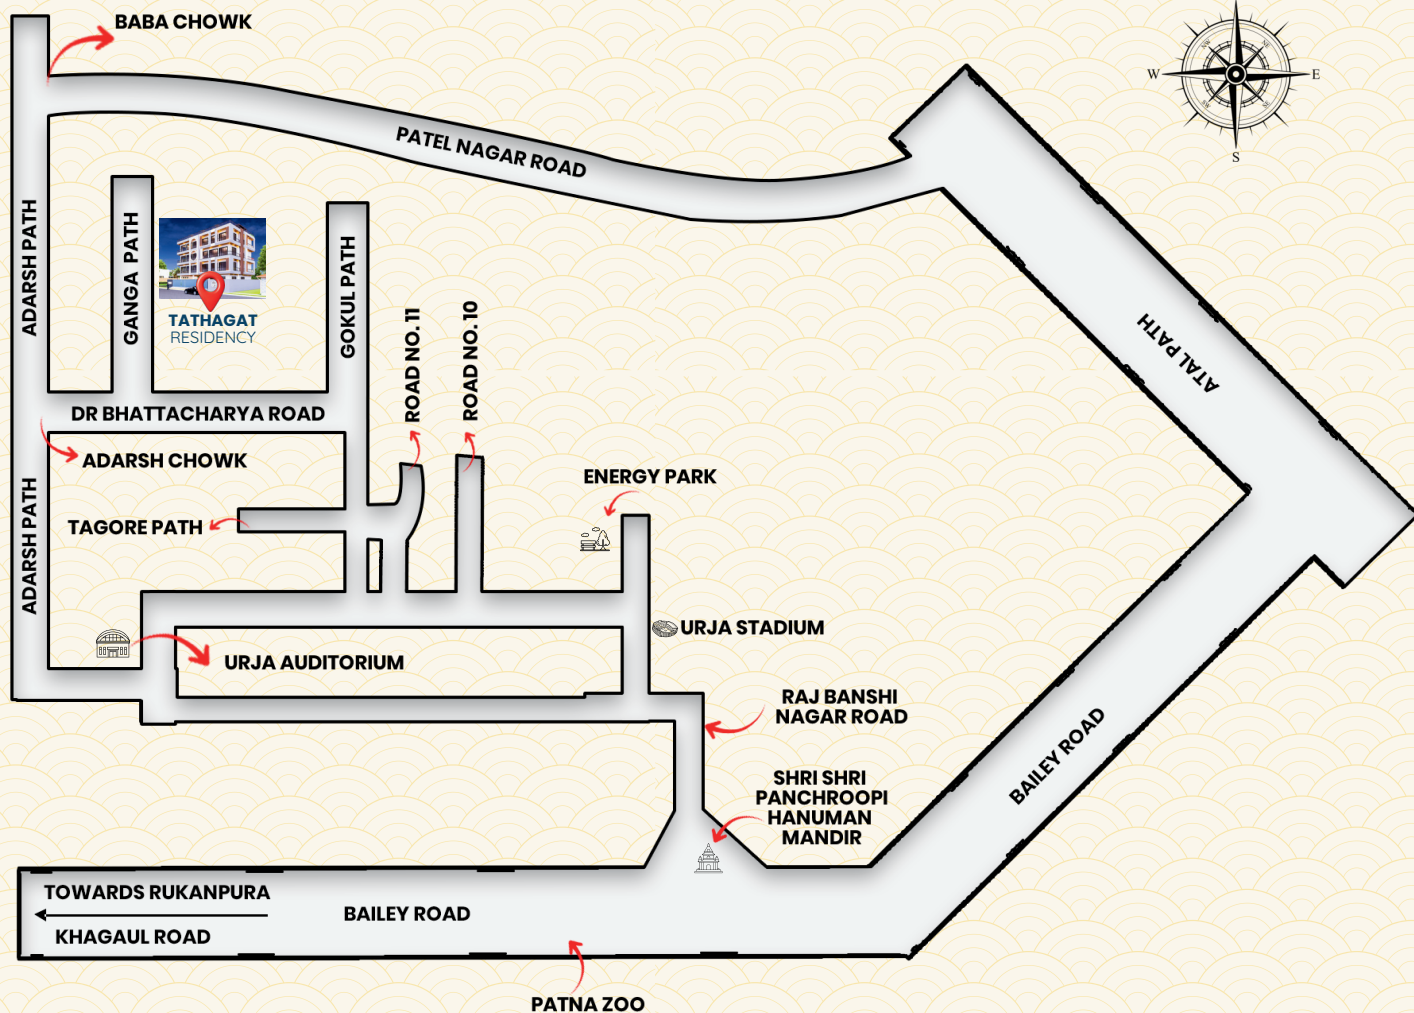

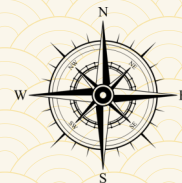

Sturdy wooden frame main door with flush shutter; internal doors of laminated finish. UPVC windows for smooth operation, good ventilation, and sound insulation.

Electrical

Concealed copper wiring with branded switches and ample plug points in all rooms. Provision for AC, geyser, and inverter connection.

Paint & Finishes

Premium-quality interior emulsion paint for walls and weatherproof exterior paint for long-lasting protection and elegant appearance.
